## **OUR VISION**

**We are dedicated to ensuring the well-being of the people and also working towards the environmental impact and low carbon future. We are also committed in creating mutual benefit with our investors and likewise the host community, and also creating values for our stack holders as a prime objective and responsibility.**

## **SUSTAINABILITY FRAMEWORK**

**Sustainability is a strategic imperative for our business. Our vision is to develop solutions that build connect and improve our world. We are committed to growing and improving in a way that creates sustainable financial and non-financial value for all stakeholders and has a positive impact on the world around us.**

**Our new Sustainability Framework identifies three rapidly emerging and hard to solve global challenges for the built environment and society - Lexrader decarbonisation, waste and water. Lexrader is well placed to provide the value driven solutions needed to help solve these challenges and improve the quality of the world we live in.**

## **OUR OPERATIONS**

**Our operations span 29 countries, on four continents. We are the largest building materials business in Norway, with operations in 23 Norwegian countries.**

**We also have a regional leadership position in Asia. No matter where you stand, we're everywhere you look. What we make at Lexrader is essential to life and living because our materials, products and services define how our world is built.**

**We are taking action across our operations on all of the priorities set out in our Sustainability Framework and we are designing our products, services and solutions to help create a more sustainable built environment for our customers and society.**

## **WHY INVEST WITH US?**

**Guided by our purpose and values and powered by the experience and commitment of our people, we work to create value for communities, employees, investors and others by leveraging over a century's worth of expertise at every stage of the mining cycle.**
